CSSAB Members,

At the August 1, 2018 CSSAB meeting the Board requested an opportunity to review a redline version of the TGM prior to publication. Please find attached the redline versions of each of the revised TGM sections. The revisions represent changes made to the Draft TGM based on comments received from the public and regional office staff. We're looking for input from the Board on any issues regarding the wording of these revisions that may be confusing or inaccurate.

You will notice the following three revisions that appear to be substantial changes:

Ex. 5 Deliberative Process (DP)

Please respond to Frank Nemec (cc me please) by October 11th with any questions or comments regarding the revisions. I'm hoping this will be a relatively quick and painless review for you all since the revisions are easily identifiable. Sorry for the quick review deadline but we've got to keep this moving to stay on track for a December 2018 publication date.

Let me know if you have any questions. We appreciate the Board's help in the revisions to the TGM.

Mike
